## Automotive Manufacturing and International Offices

Meguiar's technicians work closely with the world's leading automotive paint manufacturers, car manufacturers, car dealers, body shops and detailers to keep our products state of the art and user friendly. This provides the competitive edge for Meguiar's consumer products.

Meguiar's consults for most of the major car makers and paint manufacturers around the world on paint quality and correction issues in assembly plants and at the dealership level.

Internationally, Meguiar's ever-expanding global operations include its headquarters in Irvine, CA, USA and distribution in over 92 countries. Meguiar's intense focus on training and performance, as well as product quality, has captured the respect of carmakers like BMW and Mercedes-Benz that partner with Meguiar's worldwide.
